SVBHP Roots Run Deep
Tours Launch Event

Saturday, April 29, 2023
11AM - 2PM

The Shenandoah Valley Black Heritage Project of Harrisonburg formulated self-driving African American history tours of the Shenandoah Valley that are open to all. These free of charge tours focus on enlightening participants on the rich African American culture and heritage of the valley by exploring a variety of historic sites such as homes, schools, church, businesses, neighborhoods and cemeteries. This event is a celebration of the tours launch to the public with light refreshments and additional information about the tours. Special thanks to friends and supporters of SVBHP and Crescent Cities Charities for making this possible.
